Subject: Release of Reclamation Surety, Ziegler Chemical and Mineral, Neal State Mines, S/47/0063, Uintah County, Utah

By letter dated February 10, 2014, the Division required Ziegler Chemical and Mineral to replace its reclamation surety for the Neal State mines. The AM Best rating for the company providing the sureties had fallen to B+, and rule R647-4-113.4.11 requires that the rating be A- or better.

Ziegler has now replaced the surety, so the Division needs to release the old one.
